IN RE: PAUL J THOMAS Chapter 13
 ALLISON R THOMAS Case No.: 18-62011

CERTIFICATION OF NO NEED TO FILE AMENDED CHAPTER 13 PLAN

Come now counsel for Paul J. Thomas and Allison R. Thomas, Debtors,, and certifies that there is no current need to file an amended Chapter 13 plan, on the grounds that the contemplated need for an amended plan, that co-debtor's employment circumstances were expected to change, has not materialized. Additionally, counsel believes that any other deficiency of the plan can most efficiently be corrected with language to be included in the confirmation order and will not necessitate an amendment of the plan.

Dated this January 7, 2019.

Respectfully submitted,

/s/ William Harville, Esq.
counsel for debtors
